

# A Christmas gift for UKRAINE 2023:

*Christian radio for the nation!*

***Christian Radio for Russia and Ukraine***, an evangelical radio support ministry in the USA and sponsor of **NEW LIFE RADIO** in Odessa, seeks **20** churches across America to invest in a new radio service in the Ukrainian language called *Radio Nove Zhittyia*. We need to raise a minimum of \$3500 per month **(\$175 per church)** to support a new radio staff and programming featuring the most trusted Bible teachers to proclaim the Gospel and exposit sound Christian doctrine to a nation emerging from the ravages of this current war. 98% of towns and villages in Ukraine have no local evangelical Christian radio station, hence the need! For the cost of supporting ONE American missionary family to Ukraine, we can put Christian radio into thousands of communities 24 hours a day!
